

ELECTRICAL WORKSTATIONS AND POWER SUPPLIES

Wide variety of options

Robust and durable

High quality construction

All enclosures and metal frames with durable
2k paint

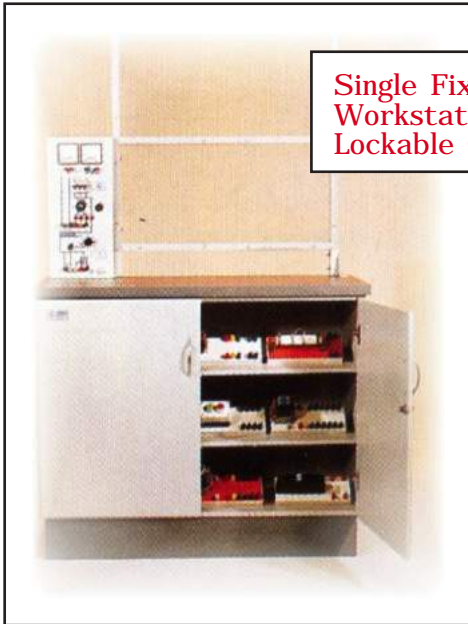

ELECTRICAL WORKSTATIONS AND POWER SUPPLIES

A variety of workstations are available to suit your requirements.

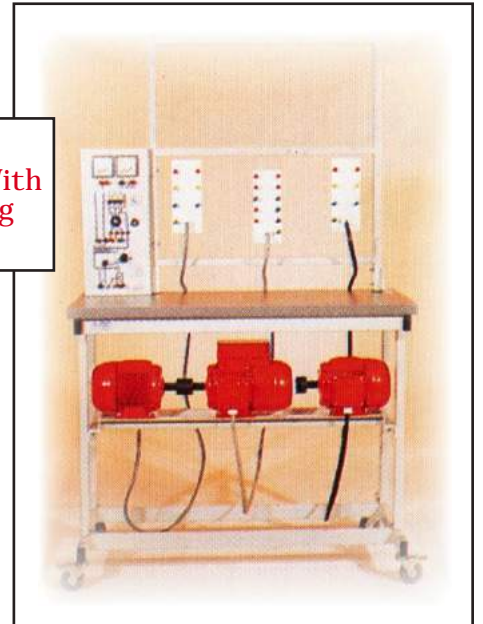

Base Units-single ,double, mobile

Power Supplies-high or low voltage,single or double sided

Mounting Matrix-ultra high impact(uhi) acrylic,single or double sided

Single Fixed Workstation With Lockable Cabinet

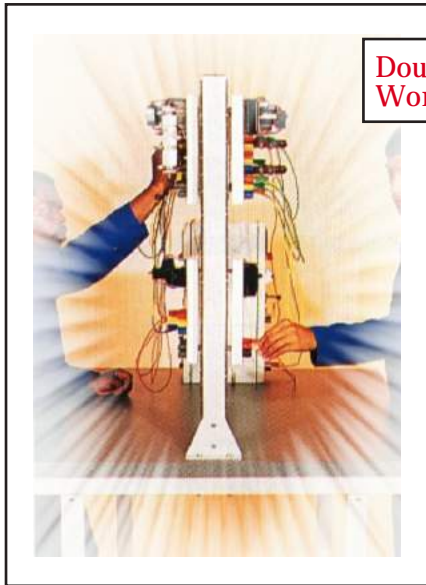

Single Mobile Workstation With Motor-Mounting Facility

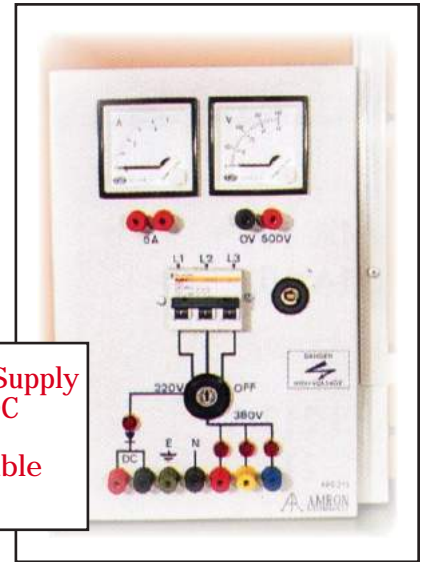

Single Mobile Workstation

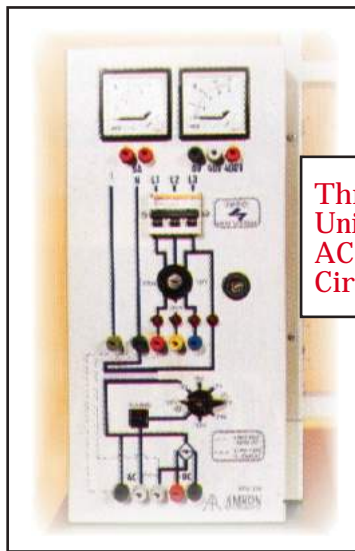

ELECTRICAL WORKSTATIONS AND POWER SUPPLIES

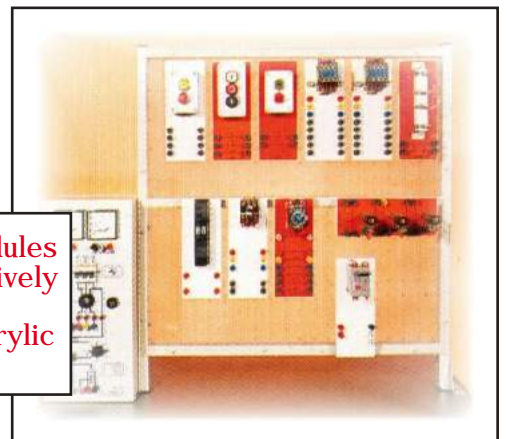

Double- Sided Workstation

High/Low Voltage Power Supply Unit With Metering AC/DC 220/380 Volts 3- 32 Volt, Switch Selectable AC/DC Power Supply

Three Phase Power Supply Unit With Metering Facility AC/DC 220/380 Volts Via Circuit Breaker and Keyswitch

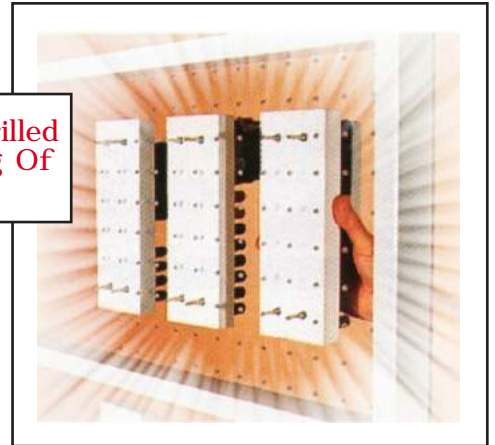

All Amron Plug- In Modules Are Easily And Effectively Accommodated In The Ultra- High Impact Acrylic Matrix

ELECTRICAL WORKSTATIONS AND POWER SUPPLIES

The Matrix Is Precision Drilled To Ensure Secure Mounting Of The Modules.

Bench-Top Power Supplies And Meter Units Are Available For Both High and Low Voltage Applications.

PRODUCT ORDERING INFORMATION

BASE UNITS

Single, mobile, without cabinet	SMW 101
Single, fixed, without cabinet	SFW 101
Double, mobile, without cabinet	DMW 102
Double, fixed, without cabinet	DFW 102
Single, mobile, with cabinet	SMC 103
Single, fixed, with cabinet	SFC 103
Double, mobile, with cabinet	DMC 104
Double, fixed, with cabinet	DFC 104
Workstation with motor-mounting facility	MMF 105

MATRIX

Single matrix board on frame	AMA 101
Double matrix board on frame	AMA 102

POWER SUPPLIES

Single, high & low voltage	APS 212 S
Double, high & low voltage	APS 212 D
Single, high voltage	APS 213 S
Double, high voltage	APS 213 D
Single, low voltage	APS 219 S
Double, low voltage	APS 219 D

BENCH-TOP UNITS

Metering unit	ADM 208
High voltage power supply	APS 214
Low voltage power supply	APS 215
